COLORFUL DAY CELEBRATION

Learning about colors helps kids sort, organize, categorize, compare objects. Early identification of colors helps children to create a cognitive link between visual clues and words.

By celebrating the beauty of all colors, children learn to respect and celebrate diversity in all its forms, it plays a significant role in children's holistic development, encompassing cognitive, sensory, social, and emotional domains.

COLORING COMPETITION

A coloring competition was held to introduce kids to a beautiful world of colors .As they fill in varied colors to different ,shapes and figures they become aware of the world around them .Gradually they start recognizing

different hues and shapes .The diverse opportunity makes them more aware and attentive .Children enjoy trying and blending different shades ,therefore promoting creativity and awareness .
