Dear Parents,

We are happy to meet you through the 7th letter of the current academic year of our school.

1. EDITORIAL

Dear Parents,

Roger Federer recently announced his retirement from professional tennis. He will be missed not for just his tennis, but also showed us how it is important to remain disciplined and consistent to achieve success. I would like to remind you one of **his iconic wins in the 2009 US open finals**, his match against Djokovic where Roger lobbed the ball between his legs, which was a jaw-dropping moment in the game. When asked about the shot, he replied that it was not a fluke shot but that he had practised it many times. At first, 100-200 times he couldn't do it but then gradually his frequency of getting the shot increased.

So, dear students practice is the only thing that can make you perfect. Don't give up. Practice consistently and have patience to become successful like Roger Federer.

Significant Moment

Our **Director, CA. Utpal Shah**, while welcoming and escorting **Minister of State Mr. Harsh Sanghvi** for formal launch of '**Vadodara Marathon 2023**'.

Others seen are **Mr. Bharat Dangar**, Ex-Mayor and **Mr. Keyur Rokadia**, Present Mayor of Vadodara.
